REGULATIONS RESPECTING THE USE AND OPERATION OF THE PATTULLO BRIDGE, NEW WESTMINSTER.

NOTICE is hereby given that the following regulations have been made by Order in Council No. 1478, approved December 7th, 1937, and amended by Order in Council No. 1578, approved December 31st, 1937, pursuant to section 8 of the "Fraser River (New Westminster) Bridge Act." The regulations made pursuant to the said Act by Order in Council No. 1349, approved November 13th, 1937, have been rescinded by said Order in Council No. 1478.

1. INTERPRETATION.

In these regulations, unless the context otherwise requires:—

"Minister" means the Minister of Public Works, and, in respect of the granting of permits, includes any person designated by him in writing for that purpose:

"Bridge" means the Pattullo Bridge constructed over the Fraser River at New Westminster, pursuant to the "Fraser River (New Westminster) Bridge Act," and the approaches to the same extending from the intersection of Trans-Provincial Highway and Liverpool Road, in Surrey Municipality, immediately east of the toll-gates, to the limits of the northerly approaches in the City of New Westminster, as follows:—

(a.) To the intersection of the most westerly of the northerly approaches with Columbia Avenue at the westerly end of Albert Crescent:

(b.) To the intersection of the most northerly of the northerly approaches with McBride Boulevard at Royal Avenue:

(c.) To the intersection of the most easterly of the northerly approaches with Columbia Avenue at McBride Boulevard.

2. CERTAIN OTHER REGULATIONS TO APPLY.

Notwithstanding any provisions to the contrary contained in the "Highway Act" or the regulations thereunder, the provisions of the following named Regulations, made pursuant to section 34 of the "Highway Act" by Order in Council No. 759 approved on the 11th day of June, 1935, and subsequently amended from time to time, shall apply in respect of the bridge, namely:—

Clause (1) of Regulation 1. "Interpretation."

Regulation 2. "Weights, Speeds, Tires, etc.," including Schedule.

Regulation 3. "Dimensions of Vehicles and Loads, Fastenings of Loads."

Regulation 4. "Weighing and Inspection of Vehicles; Removal of Excess Loads."

Regulation 11. "Signs on Highways."

Regulation 12. "Lights on Vehicles."

Regulation 15. "Saving Clause."

2a. CERTAIN ACTS AND PRACTICES PROHIBITED.

Notwithstanding any limitation or provision in section 26 of the "Highway Act" to the contrary, the acts, practices, matters, and things set out in clause (f) and clauses (h) to (m), inclusive, of the said section shall, with respect to the bridge, be unlawful and shall be deemed to be offences against this regulation.

3. SPEED OF VEHICLES.

(1.) Every person driving or operating a motor-vehicle on any portion of the bridge indicated by signs displaying a statement of miles per hour erected thereon by the Department of Public Works by written order of the Minister, shall, in traversing that portion of the bridge, drive and operate the motor-vehicle at a rate of speed not exceeding the number of miles per hour stated on the signs so erected; but nothing in this regulation shall prevent any person being prosecuted or punished under any section of the "Motor-vehicle Act" under which he would, except for this Regulation, be liable to be prosecuted or punished.

(2.) No person shall drive or operate a motor-vehicle across the bridge at a speed of less than 10 miles per hour, nor a horse-drawn vehicle at a speed greater than a walking pace or less than 2 miles per hour, except where a permit has been first obtained from the Minister, or except where the vehicle is mechanically or otherwise disabled, or when necessary to avoid an accident or injury to persons or property.

4. TRAFFIC LINES.

(1.) If upon any portion of the roadway of the bridge there has been marked a middle line, all vehicles proceeding on the bridge shall be kept to the right of the middle line.

(2.) The Minister may cause to be marked the middle line referred to in clause (1) of this regulation and also such other traffic-lines as he may consider necessary for the guidance of traffic, including pedestrians.

(1.) If, by authority of the Minister, there is erected on the bridge or on any highway communicating with the bridge, a sign displaying to the driver of an approaching vehicle the word "STOP," either alone or accompanied by other words, the driver of every such approaching vehicle shall, while at a distance of not more than 20 feet from the sign and before proceeding to pass beyond the sign, bring his vehicle to a complete stop.

(2.) The Minister may cause to be erected such other signs as he may consider necessary for the proper direction and control of traffic using the bridge, and it shall be the duty of all persons driving or operating any vehicle to comply with the directions indicated by such signs.

6. PARKING OF VEHICLES.

(1.) Except as provided in Regulation 5 or in the case of a vehicle which has become so mechanically disabled as to prevent same proceeding, no person shall stop, park, or leave standing any vehicle on any portion of the bridge set aside for vehicular traffic except when same is necessary in order to avoid accident, injury, or damage to any person or property, or in compliance with the instructions of an officer or constable of the Provincial Police Force, or under the direction of a sign or signal given by an official of the Public Works Department.

(2.) No person shall make repairs to any vehicle or make a tire-change on the bridge, except with the authority of an officer or constable of the Provincial Police Force or except when such repairs or tire-change are carried out in the presence of an official of the Public Works Department.

(3.) In the event of the breakdown or other disablement of a vehicle on the bridge, it shall be the duty of the driver or operator of the vehicle to give notice immediately to the official of the Public Works Department in charge of the toll-booth or to an officer or constable of the Provincial Police Force who will, as quickly as possible, arrange for the necessary towing of the broken-down vehicle, or the supplying of gasoline to the vehicle, or the provision of such other assistance as may be necessary; all charges in connection with the towing, gasoline, or other assistance shall be paid for by the operator of the vehicle before it is removed from the bridge.

7. NO U-TURNS.

No person driving or operating a vehicle on the bridge shall make a "U-turn" or otherwise reverse the direction in which the vehicle is proceeding, except by order of an officer or constable of the Provincial Police Force or an official of the Public Works Department.

8. ONE-WAY TRAFFIC.

The Minister may cause to be erected signs or signals indicating portions of the approaches to the bridge on which vehicles shall proceed in one direction only and indicating the direction in which vehicles shall proceed, and all vehicles using the said approaches shall then proceed thereon only as such signs or signals indicate, unless otherwise ordered by an officer or constable of the Provincial Police Force or by an official of the Public Works Department.

9. CERTAIN VEHICLES MAY NOT USE BRIDGE.

No person shall drive, operate, or propel any of the following classes of vehicles on the bridge:—

(2.) Pedestrians shall not cross the bridge at a speed of less than 2 miles per hour and shall, when crossing, continue in one direction only, without stopping.

11. PENALTIES.
